I am a Busy Man!!

Yuruky Is A Busy Man!!!

XinFab 3 Minute rule !!

Yuruky will help you without hesitation with all your 3 minute problems like:

- "Can you check my Cura/lasercutter settings?"
- "Can you help me change the filament?"
- "Can you help me unclog the 3D printer?"
- "Can I buy some wood/acrylic?"

More than 3 Minutes?!

Yuruky will be glad to help and assist you with more difficult problems, but remember!
He is a busy man! and his time is valuable, 60 rmb/hour to be precise!

For this price he can help you with all your bigger problems and questions like:

- "Can you teach me how to use the 3d printer / lasercutter?"
- "Can you help me model something in 3d?"
- "Can you help me 3D print this file?"

More than 2 Hours?!

Also for SUPER complicated or SUPER big problems Yuruky and all the Xinfab volunteers will be happy to help you! let's have a talk how we can help you and we will give you a quotation.

We can help you with BIG problems and questions like:

- "Can i order 100 coasters for my event next week?"
- "Can you help me Design and make something?"
- "Can you help me 3D scan and 3D print an object?"
- "Can you help mprototype (design and develop) something for me?"
